

Give Fish a Chance (GFAC)

SSACN's GFAC sizes **are a voluntary measure** to help ensure the future of a species, use these and you can be reasonably certain a fish has had a chance to breed.

<u>Fish Species</u>	<u>GFAC</u>	<u>Fish Species</u>	<u>GFAC</u>
	<u>cms</u>		<u>cms</u>
Bass	45	Monkfish	150
Bib / Pout	20	Mullet - Grey (thin)	40
